the Plot is ideally located outside city limits. MSC Line has commenced operations at the Yard.

Mr. Pramod Kumar Srivastava, the Director & CEO of the company said, "The yard is strategically located in close proximity to the in-

dustrial clusters and offers great help in reducing traffic congestion. Users can now avoid unnecessary movement for pickup and drop-off of Empties around the Port area. This is going to be a great help to Kolkata Police in management of traffic and will also benefit the trade. We have the scope of further expanding

the area in the future based on the demand."

PDP International Pvt. Ltd. has been providing freight forwarding and warehousing solutions to customers for over 2 decades. The Empty Yard project is another step taken by the company towards providing supply chain solutions.
